

To register for family camp (or any of our programs!) use the register link at the top of our website, or go to <http://app.campdoc.com/register/farmandwilderness> You can register and complete forms from any computer or mobile device, such as a tablet or smart phone using that link.

If you've already registered for another of our camp programs, you should use the same account for Family Camp and just add participants as needed for yourself and other family members.

If you haven't yet registered for a Farm & Wilderness event via CampDoc, click the blue Sign Up button to create an account!

Once you create your account, you'll be prompted to add a participant. You'll need to set up each person attending Family Camp as a participant, one at a time. Use the green + New Participant button on the left sidebar to add new participants to your account.

If the participant is under 18 years of age and attending with a chaperone who is not their legal guardian, they must be registered by their parent/guardian who can then designate their chaperone in the registration forms and by filling out a chaperone form, provided by Farm & Wilderness.

A screenshot of the 'New participant' registration form. The top navigation bar shows 'Farm & Wilderness Foundation' and 'New Participant'. The main section is titled 'New participant'. It has fields for 'First Name' (green border), 'Middle Name' (grey border), and 'Last Name' (red border). Below these are dropdown menus for 'Date of Birth' with 'Month', 'Day', and 'Year' fields. A 'CONTINUE' button is at the bottom right.

Once you've created a participant, you can use the Register button to sign up for family camp! Use the checkbox next to Family Camp to select the session, and then click the green continue button in the lower left corner to proceed.

Then you'll be taken to the protection plan offered via a third party. This is optional and more information, including where to direct your questions about the protection plan specifically can be found at: <https://www.campdoc.com/protection-plan/>

Finally, you'll be taken to the payment screen. **Please note the page defaults to collecting the payment in full** using a credit card. You're certainly welcome to pay in full using a credit card, you can also elect to pay the minimum deposit and use your bank account as a payment method.

This default is pictured first below and then lower and to the right is how it should look if you'd like to pay only the deposit and use your bank account to do so.

Payment

CREDIT CARD **BANK ACCOUNT**

The form shows a credit card icon and a placeholder for a card number. Below the card number field is a note: "Farm & Wilderness Foundation accepts Visa, MasterCard, Amex, and Discover."

If you'd like to pay just the deposit, select "Minimum". Farm & Wilderness asks those who are able to then change the payment method to a bank account, as the transaction fees are substantially lower this way.

CREDIT CARD **BANK ACCOUNT**

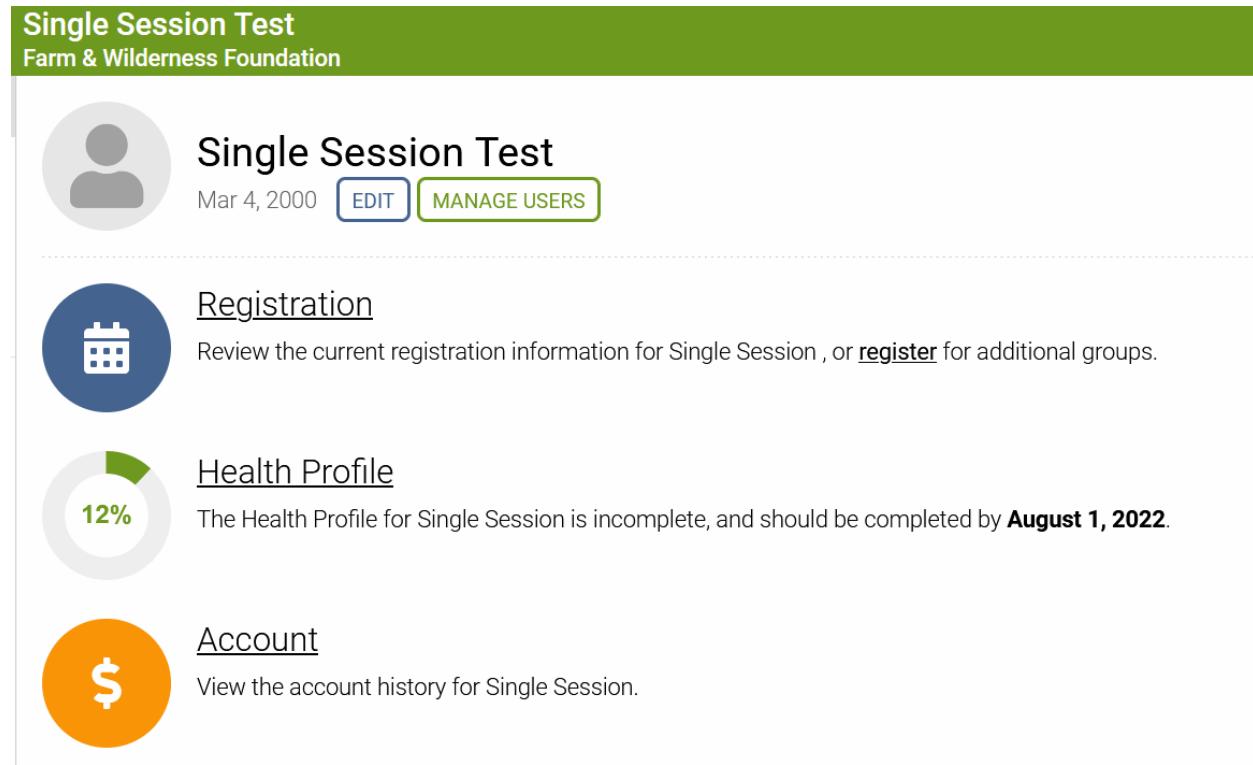

The form shows a bank account icon and fields for account type (Personal Checking), routing number, account number, first name, and last name. The account type field is currently set to "Personal Checking".

From there, authorize the payment method, and you can optionally set up an automatic payment plan for the remaining balance. Click to agree to the authorization and pay & register!

To register additional family members, click the green + New Participant button in the left side panel, enter their info, and sign them up in the same way!

Once registered, you'll have this landing page view when you log into CampDoc, but it will say your name/your family member's names, rather than "Single Session Test":

The screenshot shows the CampDoc landing page for a user named "Single Session Test" from "Farm & Wilderness Foundation". The top bar is green with the user's name and organization. Below the bar, there is a profile picture placeholder, the user's name, a date (Mar 4, 2000), and two buttons: "EDIT" and "MANAGE USERS". A horizontal dashed line separates this from the main content area. The content area contains three sections: "Registration" (with a calendar icon), "Health Profile" (with a progress bar icon showing 12%), and "Account" (with a dollar sign icon). Each section has a link to its respective page and a brief description.

Registration
Review the current registration information for Single Session , or [register](#) for additional groups.

Health Profile
The Health Profile for Single Session is incomplete, and should be completed by **August 1, 2022**.

Account
View the account history for Single Session.

The Health Profile is where you'll go to complete registration forms, including the application for Campership (Financial Aid).

Use the account section to see your balance, set up/review a payment plan, and make a payment.

You can also add on the protection plan or order custom labels, each from a third party who you'd contact directly with questions regarding either service.

Use the right side bar to track progress on forms! A green checkmark means that section is complete, and a red circle means there's still information needed.

You may adjust answers as needed on forms until August 1, when answers will be locked. To change locked answers, you can request your profile to be unlocked for updates. This is to ensure that we are up to date with any adjustments as we prepare for camp!
